

The BACW's Bidding Commission hereby present questions made by companies with their respective answers.

REMARK: The questions presented in this "Questions and Answers" shall be numbered as they are received by the Bidding Commission and may not match the numbering provided by the companies.

Therefore, the Bidding Commission has answered previous questions on July 18, 2017, August 21, 2017, August 22, 2017, August 24, 2017, August 31, 2017, September 5, 2017, September 12, 2017 and they are published on BACW's website.

Question 27 – Please advise if product technical data sheets and material safety data sheets may be submitted via soft copy (in a pin drive) or do you require a hard copy of each document. Keep in mind that each safety data sheet is 8-10 pages long.?

Answer – In accordance with item 5.1. of the Invitation for Bid, "each bidder must deliver two envelopes, one containing qualification documents and the other containing Price Proposals."

Furthermore, in accordance with item 6.3.2. of the Invitation for Bid, "for all products, the BIDDERS must provide a Technical Data Sheet and Material Safety Data Sheet for each and every item."

Therefore, based on the aforementioned items, the documents requested as qualification documents, to be included in envelope 1 must be presented as hard copy.

Furthermore, the Brazilian Aeronautical Commission appreciates the question, and stands available to clarify and explain any doubts or concerns in order to increase the BID quality. Any questions or concerns must be submitted to [**con@cabw.org**](mailto:con@cabw.org)

Note: This information has been made available at BACW website in the publishing for the related Bidding Process. <http://www.cabwnews.com/index.php/solicitations.html>
