Question 50 – *Can you please indicate if at the opening session of the Batch 2, foreseen for the 18th of December 2017, only already qualified bidders will participate the Commission will also proceed with the opening of the second envelopes with Price Proposals. If what above is not the case can you please indicate the possible minimum interval between the opening session of the 18th and the opening session of the price proposals?*

Answer: If only already qualified bidders participate in the Republishing of The Invitation For Bid, and they present the Declaration requested on item 6.1 of the bid announcement, they shall be asked about their right to appeal to the qualification phase for BATCH 2 since the republishing of the invitation for bid is considered a new bidding. If all bidders revoke their right to appeal to the qualification phase, the Bidding Commission shall open the price proposals on the same day.

Otherwise, if new bidders participate in the BATCH 2 the Bidding Commission is going to make all efforts to analyze the qualification documents at the bidding meeting with the support of CENSIPAM. In this case, the results of the qualification phase for BATCH 2 should be announced during the meeting. If the bidders revoke their right to appeal, the Bidding Commission should open the price proposal subsequently.

In the same way, the Bidding Commission is going to make all efforts to analyze the price proposal and their attached documents at the bidding meeting with the support of CENSIPAM. In this case, the results of the price proposal for BATCH 2 should be announced at the same day as well.

Notwithstanding, In accordance with the Republishing of the Invitation For Bid 173576/CABW/2017 item 25.1 *"Any doubts arising from the provisions of this Invitation for Bid may be the subject of consultation, in writing, to the **Bidding Commission** in charge of this bidding process, up to 48 hours before the delivery of the proposals.*
